

## Oxford AHSN Patient Safety Collaborative Annual Conference

From assurance to inquiry: conversations about safety

Thursday 25 May 2017

Milton Hill House, Milton Hill  
Steventon, Oxfordshire, OX13 6AF

### Aims:

1. To bring together and develop a community for people involved in patient safety and quality improvement work across the region;
2. To explore the role of conversation and inquiry in safety;
3. To learn from the experience of improving safety in other industries.
